GENERAL INFORMATION

The following information explains what a Savings Incentive Match Plan for Employees ("SIMPLE") is how contributions are made, and how to treat these contributions for tax purposes. For more specific information, refer to the SIMPLE Retirement Plan document itself, the completed Adoption Agreement and the accompanying disclosure information.

For a calendar year, you may make or modify a salary reduction election during the 60-day period immediately preceding January 1 of that year. However, for the year in which you first become eligible to make salary reduction contributions, the period during which you may make or modify the election is a 60 day period that includes either the date you become eligible or the day before. If indicated on the Adoption Agreement, you may have additional opportunities during a calendar year to make or modify your salary reduction election.

SIMPLE Retirement Plan and SIMPLE IRA Defined: A SIMPLE Retirement Plan is a retirement income arrangement established by your employer. Under this SIMPLE Plan, you may choose to defer compensation to your own SIMPLE Individual Retirement Account or Annuity ("SIMPLE IRA"). You may base these "elective deferrals" on a salary reduction basis that, at your election, may be contributed to a SIMPLE IRA or received in cash. This type of plan is available only to an employer with 100 or fewer employees who earned at least \$5,000 during the prior calendar year.

A SIMPLE IRA is a separate IRA plan that you establish with an eligible financial institution for the purpose of receiving contributions under this SIMPLE Retirement Plan. Your employer must provide you with a copy of the SIMPLE agreement containing eligibility requirements and a description of the basis upon which contributions may be made. All amounts contributed to your SIMPLE IRA belong to you, even after you quit working for your employer.

Elective Deferrals - Not Required: You are not required to make elective deferrals under this SIMPLE Retirement Plan. However, if the Employer is matching your elective deferrals, no Employer contribution will be made on your behalf unless you elect to defer under the plan.

Elective Deferrals - Annual Limitation: The maximum amount that you may defer under this SIMPLE Plan for any calendar year is limited to the lesser of the percentage of your compensation indicated in the Deferral Form or the maximum deferral limit permitted under law, subject to cost-of-living adjustments. For 2022, this amount is \$14,000 (subject to cost of living adjustments).

Allowance of Catch-Up Contributions: All Employees who are eligible to make Elective Deferrals under this Plan and who have attained age 50 before the close of the Plan Year shall be eligible to make Catch-Up Contributions for 2022 up to \$3,000, (subject to cost of living adjustments.)

Tax Treatment of Elective Deferrals: The amount that you may elect to contribute to your SIMPLE IRA is excludible from gross income, subject to the limitations discussed above, and is not includible as taxable wages on Form W-2. However, these amounts are subject to FICA and FUTA taxes.

If you work for other employers (unrelated to this Employer) who also maintain a salary deferral plan, there is an overall limit on the maximum amount that you may defer in each calendar year to all elective SEPs, cash or deferred arrangements under section 401(k) of the Code, other SIMPLE plans and 403(b) plans regardless of how many employers you may have worked for during the year.

This limitation is referred to as the §402(g) limit. The section 402(g) limit on elective deferrals is currently \$20,500, subject to cost of living adjustments.

When "excess elective deferrals" (i.e., amounts in excess of the SIMPLE elective deferral limit or the section 402(g) limit) are made, you are responsible for calculating whether you have exceeded these limits in the calendar year. Excess elective deferrals are includible in your gross income in the calendar year of deferral. Income on the excess elective deferrals is includible in your income in the year of withdrawal from the SIMPLE IRA. You should withdraw excess elective deferrals and any allocable income, from your SIMPLE IRA by April 15 following the year to which the deferrals relate. These amounts may not be transferred or rolled over tax-free to another SIMPLE IRA. The trustee or custodian of your SIMPLE IRA will inform you of the income allocable to such excess amounts.

SIMPLE IRA Distributions: You may withdraw from your SIMPLE IRA at any time. However, any distributions will be includible in your gross income and may also be subject to a 25% additional income tax or a 10% additional income tax depending upon how long you have participated in the SIMPLE Plan. For more information refer to the SIMPLE IRA disclosure statement which was provided to you when you established your SIMPLE IRA.

Rollover or Transfer to Another IRA: You may not roll over or transfer from your SIMPLE IRA any SIMPLE contributions (or income on these contributions) made during the plan year to another IRA (other than a SIMPLE IRA) until the 2 years following the date you first participated in the SIMPLE plan. You may, however, remove excess elective deferrals and income allocable to such excess amounts from your SIMPLE IRA before this time, but you may not roll over or transfer these amounts to another IRA.

If the Adoption Agreement indicates that all initial SIMPLE contributions will be made to a Designated Financial Institution, you may be able to transfer your SIMPLE IRA without cost or penalty to another SIMPLE IRA (if within the 2 year period) or thereafter to any other IRA. The DFI may impose a deadline for electing no cost or penalty free transfers and if the employee so elects, may also limit your choice of investments.

After the restriction described above no longer applies, you may withdraw, or receive, funds from your SIMPLE IRA, and no more than 60 days later, place such funds in another IRA or SIMPLE IRA. This is called a "rollover" and may not be done more frequently than at 12-month intervals. However, there are no restrictions on the number of times that you may make "transfers" if you arrange to have such funds transferred between the trustees so that you never have possession of the funds. You may not, however, roll over or transfer excess elective deferrals and income allocable to such excess amounts from your SIMPLE IRA to another IRA. These excess amounts generally may be reduced only by a distribution to you.

Effective December 19, 2015, this SIMPLE Plan will accept rollover contributions from qualified plans under section 401(a); qualified annuities under 403(a); tax-sheltered annuities and custodial accounts under 403(b); governmental plans under section 457(b); and from traditional IRAs. Such rollovers are permitted after the SIMPLE IRA has been in existence for 2 years measured from the date of the initial contribution to the account. Check with your Custodian to see if this change was made to your SIMPLE Plan document.

Conversions to a Roth IRA: After the 2-year restriction described above no longer applies, you may convert your SIMPLE IRA to a Roth IRA. Such conversion is taxable to you but is not subject to the 10% additional income tax if you are under age 59½.

Cost of Living Adjustments/or COLAS: COLAs are announced by the IRS during the last calendar quarter of a calendar year relating to the following calendar year.
