

DEPOSIT CHECKS TO YOUR JANNEY ACCOUNT—FROM THE COMFORT OF HOME

Use the Mobile Check Deposit feature of Online Access.

Depositing a check to your Janney account has never been simpler and you can do it on your mobile device using the Mobile Check Deposit feature of Janney's secure Online Access.

It's fast, easy, free, and you can deposit checks as soon as you receive them—using the camera on your mobile phone.

SIMPLY FOLLOW THE STEPS BELOW:

- Using the browser on your device, login to <http://www.myjanney.com> and then navigate to the Check Deposit link.
- Under the link, click through to the [App Store](#) / [Google Play Store](#) to download the Janney Mobile App. Or, you can search for Janney or myjanney in either app store directly, which will take you to the same location.
- Under the **Move Money** icon, click “**Check Deposit**” and enter the dollar amount of the check you want to deposit. The maximum amount of deposit is \$300,000.

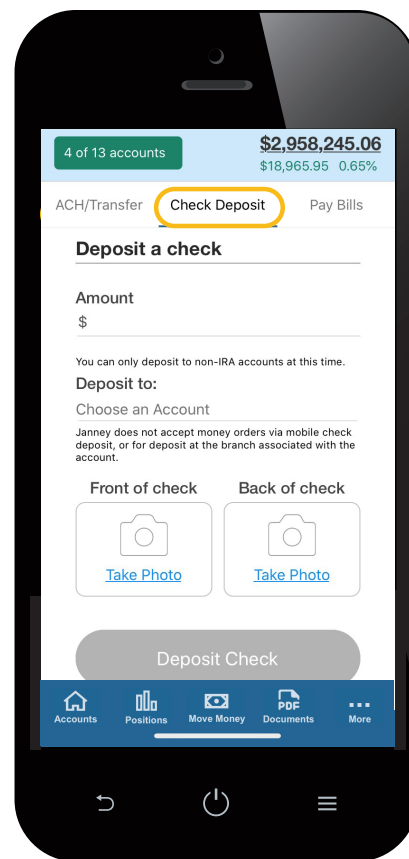

- Be sure to endorse the check. Checks could match the client name in the account title of the Janney account or be payable to Janney Montgomery Scott.
- Then, select a Janney account to deposit the check*.
- To take a photo of the check using your mobile device, place the check on a contrasting background in a well-lit area. Use the assistive guides in the mobile application to ensure all four corners of the check are captured in the image. Hold the device steady and allow the camera to auto-focus on the check image. Then take a photo of the front and back of the check.
- Review the information and then select “**Deposit.**” You'll receive an email when it is complete.

Deposits will be available the next day (if deposited before 5 PM ET), or the second business day (if deposited after 5 PM ET).

We advise you store your checks after deposit in a secure location until you confirm that the deposit is successfully credited to your brokerage account.

To learn more, visit the Mobile Check Deposit page on our [website](#) or contact your Financial Advisor.

** Janney does not accept money orders via mobile check deposit, or for the deposit at the branch associated with the account.*
